Donald John Trump – President of the United States of America.
The White House,
1600 Pennsylvania Avenue NW,
Washington,
DC - USA,

Subject: Notice of Lawful Objection (Article 61 – Magna Carta 1215) - Oath of allegiance to Donald John Trump POTUS – President of the United States of America.

Dear President Donald J Trump.

Having recently been party to JGH 'King John III' acquisition of the throne of England and the Commonwealth etc, It has become clear the current Prince of Wales (Charles Philip Arthur George) has no Royal rights to be the Royal Representative for the Land, Waters and Peoples of Wales, UK, and has been delinquent in his responsibilities. With this in mind, and under the command of Gods, I am willing and able to stand for the Land, Air and Frequencies, Waters and Peoples of Wales to reclaim our Constitutional/Common Law rights as Sovereign beings on Earth. Please can you offer me your support in doing so, and in return I will ensure that continued unity is upheld between our Lands.

I've added my Oath below, which has been sent to the Baron's Committee (Lord Adonis MP), Chief Constable for South Wales Police, First Minister of Wales and the Conservative representative for Gower, Swansea.

In recognition of your superior authority to our current government and monarch, I wish to make this Oath to you directly. I am aware you are in the process of rectifying many wrongs throughout the World and I speak for the Peoples of Wales in saying 'THANK YOU' for bringing freedom back to our Realm.

Please contact me directly if you would like to discuss further.

I look forward to seeing you, again. In Gods we trust!

Sincerely,

Acting Prince of Wales - for the Land, Waters and People of Wales - Kelvin John Childs.

.....

In full knowledge of treason being committed in Parliament, by delivering the Sovereign Peoples of this Common law land into the hands of foreign powers, in recognition of wrongs done by the present holder of the office of Sovereign from whom I now transfer my allegiance, I willingly and wholeheartedly enter into lawful rebellion, and I solemnly swear upon my Oath to obey the lords of the barons' committee whom invoked Article 61 of Magna Carta 1215 as long as they act strictly according to the constitution at all times, and in accordance with the protocols set out within Article 61 of Magna Carta 1215 until such times as redress of these present wrongs is achieved.

The evident invocation of Article 61 of Magna Carta 1215 occurred on the 23rd March 2001 and was reported in the Daily Telegraph on the 24th March 2001. This is easily evidenced by researching the news reports and letters available on the internet between Robin Janvrin and the Committee of the Barons at the time.

This means that I, along with all peoples of this realm have a lawful duty, under common law/constitutional law, to stand by the invocation of said Article 61 and, whilst remaining a lawful and loyal sovereign man, I take full responsibility for my actions and I hereby notify you of my standing to avoid any confrontation whatsoever. I also have the duty to inform you of the fact that you also have the same duty to serve and protect the constitution according to your Oath, and to stand by the said Article 61 yourself.

You would normally be required to respond to this Notice of lawful objection within Seven (7) days from your receipt of this document. AND, If however there is no reply in 'substance' or otherwise to this 'Notice of lawful objection' then it would have been taken to mean that you (nor any other interested parties) have no objections whatsoever to my lawful standing and, that I

will not come into conflict with ANYONE from Police Constables through the Supreme Court, nor will they make ANY demands on me unless they comply with Common law. Common law is 'of' the laws of God (commandments) and constitutional law.

Any reply to this 'Notice of lawful Objection' would normally be made on your full commercial liability and penalty of perjury and, hopefully, you will have responded to in substance with regard to the very serious matter raised herein.

If my understanding of the constitution is incorrect I ask please, if you would be so kind, to provide the law to prove this is not the case, that Article 61 is not the law, that the Barons committee are not the highest authority in the land and that the Barons committee do not indeed have to publicly announce that they have received redress for the grievance for which A61 MC 1215 was petition upon the Monarch.

Sincerely, and without ill will, vexation, or frivolity, and, on my full commercial liability and penalty of perjury. With no admission of liability whatsoever and, with all my natural, unalienable common law rights reserved.

Kelvin John Childs.
